EXPLORING THE CARMANS RIVER

Camp will run for two consecutive weeks from Monday to Friday and will begin at 9:00 am and end at 12 noon.

Camp dates are August 10th through the 21st.

Students may choose to participate in one or both weekly sessions. Activities and field trips will be different for both sessions.

The program is open to those students who have just completed 4th or 5th grade.

Cost is \$250 for both weeks or \$150 for one week.

A \$25 sibling discount is offered.

Further details can be found on our website or send an e-mail to: regisrar@bellportbaysf.org

Through a variety of fun-filled field trips, and hands-on experiments, children will learn about our fascinating local marine environment while enjoying the great outdoors. We'll venture out to explore the unique marshes, beaches, and rivers of the Bellport Bay area.

Outside activities may include fishing, crabbing, clamming, seafood cooking, water quality testing, scavenger hunts, seashell classification, dune investigation, seining, beach combing, hermit crab races, sand castle building, hiking, beach profiling, marine organism classification.

In case of inclement weather, planned inside activities include scrimshaw creations, starfish rubbings, casting models of clams and crabs, and many more.

Field trips and other meeting sites may include Carmans River, Wertheim, Post Morrow Foundation, Beaver Dam Creek, South Haven Park, Brookhaven Historical Society, and a ferry ride to Fire Island National Seashore.
